16 April 1959

MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 11 to Contract No. BC-450 with Hyccon Mfg. Company, Pasadena, California, [redacted] Project 25X1A
CHALICE [redacted]

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. BC-450 is a Time and Material Type covering repair and overhaul of Project [redacted] equipment. The contract 25X1A also provides for in-plant and test site engineering.

3. This Amendment provides for additional funds which the Contractor estimates will be sufficient to cover all requirements through June 30, 1959. The funds for Customer No. 1 were approved in Program Approval, CHAL-0629, dated 9 April 1959. Customer 2 approved addition of his funds. The net increase of [redacted] is to be obligated 25X1A as follows:

CHALICE FY 1959 Funds	[redacted]
[redacted]	[redacted]

25X1A
25X1A

By concurrence to this memorandum the Comptroller signifies that sufficient funds are available and that funds have been obligated as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each contract.

5. Concurrence in Amendment No. 11 to Contract No. BC-450 is recommended.
